Dear Gabriel ,

After finishing a challenging yet rewarding program for Mercedes-Benz USA, I would like to take this opportunity to express my sincere thanks to Sassabross Entertainment for your contribution to our mutual success.

As we know from past experience, it is the work of a great team that makes plans such as this a reality. I would like to thank each member of your team – as I am sure they are all to thank for the final product demonstrated on site at the various venues. I sincerely appreciate all their hard work and dedication.

Gathered from our client's response, it is apparent that we have satisfied and even exceeded their objectives. This quality of work can only be achieved by working with professional team players like yourself and your team. I truly appreciate everyone's commitment to making the Mercedes-Benz USA Dealer Meeting such a great success.

As always, I look forward to working together in the near future.

Kindest regards,
