Dear Gabriel,

I just wanted to drop a note to say a big "thank you" for your enthusiasm in making Oakridge Centre more festive during the busy holiday shopping season. The schedule that you put together for holiday entertainment for 2004 & 2005 at Oakridge Centre has been great!

Since I've been at Oakridge Centre (over two holiday seasons), I have truly appreciated your organization and professionalism. Sassabross Entertainment is true one-stop shop for holiday entertainment and, this being the busiest time of year for my position, I am truly grateful for all of your hard work and making my job a little easier.

We receive many great comments on the strolling entertainers throughout December and we believe that it puts some extra cheer into those trying to get through the hussle-bussle of holiday shopping. This year, we also had an overwhelming response to our Santa's Arrival parade, which featured a parade with Santa led by two toy soldiers. Our customers and retailers enjoyed the parade very much!

Regards,

Janna Lawson
